# Sprint 2 Report

## English with Sammy

Expected Release: 15 July 2019

### Actions to stop doing:

- Working disjointly from one another

### Actions to start doing:

- Documenting code (leaving a comment, use readable variable names...)
- Check what other people are doing with their tasks to ensure consistency between all tasks and user stories
- Meeting one additional time in person

### Actions to keep doing:

- Update daily discord
- Communicating with each other

### Work completed / not completed:

#### Completed:

- As a user, I want to be able to play multiple games so that I don't get bored with one.
- As a developer, I want to have a filled out database and integrate it in the code, so that I do not have to manually write data

- As a user, I want to be able to search for words so that I can study relevant vocabulary.

Not Completed:

N/A

Work completion rate :

Total number of user stories completed during the prior sprint: All 3 user stories complete as per the Sprint 2 plan

Total number of estimated ideal work hours completed during the prior sprint: Total time predicted was 28 hours and the time it took was 21 hours.

Total number of days it took during the prior sprint: 4 days in total
